

ART EDUCATION SCHOOL OUTREACH for grades 2 - 5

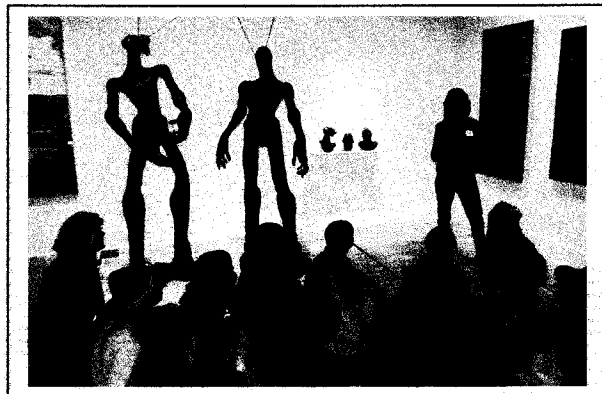

EXHIBIT 21
DATE 2.2.07
HB 9

A. *Interactive Film preview or Slide Show* in the school classrooms

Children will virtually **meet the artists** in their studios, listen to their stories and hear about their processes & inspiration.

Film introduces children to artworks, history, vocabulary, and visual literacy.

B. *Field trip: Exhibit tour & Hands-on Art Activities* in the Wilber Gallery

Emerson's docents conduct **interactive tours** that highlight understanding and enjoyment of the exhibit, artistic processes, multi-disciplinary aspects, art history, and visual literacy terms. Children learn to **analyze** artworks speak about their observations.

The tour is followed by a choice of **hands-on activities** encouraging children to experience artistic expression directly and to learn **new skills**.

C. *Interactive Student Workbook, Color Brochures & Postcards* in Classroom

Following the tour, students are given a workbook that includes **drawing and writing exercises** and games and puzzles, to reinforce the gallery experience.
